Immediate Past President :

Dr. R. C. Srimal, Lucknow

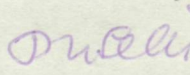

Dear Prof. Siddiqui,

You may be aware that the Indian Academy of Neurosciences is the largest scientific body representing neuroscientists working in different disciplines ranging from basic to clinical neurosciences. Each year our Academy elects eminent neuroscientists as Honorary Members. During the XVI Annual Conference held from November 26-28, 1998 the Executive Committee considered the nominations for the election of the Honorary members. I am happy to inform you that the Governing Body on the recommendations of the Executive Committee has elected you as the honorary member. I am sure you would honour us by accepting the same. I am enclosing the Scroll and a copy of the recent directory of our academy.

I look forward to your valuable suggestions and advise in achieving the goals of our Academy.

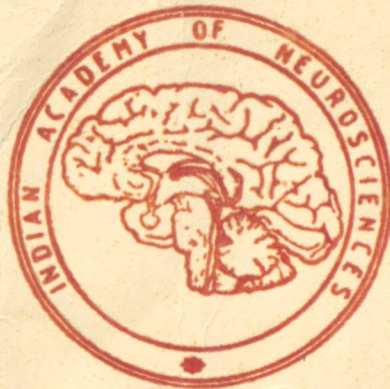

With best wishes and regards,

Yours sincerely,

(P. K. SETH)

Prof. Obaid Siddiqui
Sr. Professor and Head
Molecular Biology Unit
Tata Institute of Fundamental Research
Homi Bhabha Road, Colaba
Mumbai - 400 005

Indian Academy of Neurosciences

This attests that having complied with all requirements
for fellowship
